

ARRIVAL TO WEST SANDS

Transfer Route Map

We are delighted that you have chosen to stay with us. Here is what you can expect before you arrive to hotel.

1 Arriving by International Flight

- After you land at Velanaa International Airport, and once you are through with the customs and baggage control, you will find our rep with 'West Sands' signage.
- He will take you to the pier for speedboat. Depending on the time of your arrival, you may have to wait for a while at the pier, or have a snack while you are waiting.
- This is a combined speed boat, which operates on given timings as mentioned.

2 Departing via Male' City

- If you have arrived earlier or is staying in Male' city already, give us a call and let us know where you are staying.
- Our rep will meet you at the hotel and take you to the pier for speedboat.
- If you know your way around, you can come to Jetty 6 at Male' waterfront, and meet our rep there. This is where the speedboat normally departs.
- Please note this boat makes a quick stop at airport, in case they have people joining from airport. It takes about five minutes to airport.

3 Staying in Hulhumale'

- If you are staying in Hulhumale', give us a call and arrange a meeting time.
- Most hotels in Hulhumale' provide transport to main airport area. You can take a vehicle and ask them to drive you to arrival terminal.
- Our rep will be in this area waiting for you.
- From there he will walk you to the pier. You may have to wait a while in case you arrived early, as this is a combined speed boat that operates on schedule.
- The speedboat do not depart from Hulhumale' port directly. It is very convenient to take a ride to airport.

4 Arrival at Ukulhas

- It takes roughly 90 minutes by the speedboat to reach Ukulhas.
- When your boat reaches Ukulhas harbor, our reps will be there you receive you.
- They can be easily identified by the uniform or with the signage.
- From the harbor it is a 5 minute walk. Our reps will walk with you to the hotel. Your baggage will come in the truck.
